

## Philosophy

Our philosophy is simple: Provide children with the opportunity and guidance and they will discover the joys of learning while developing the habits and skills needed later in life.

## Voluntary Pre-K

As an enrichment to our outstanding program, Sunflower proudly participates in the State of Florida's Voluntary Pre-Kindergarten, Three Hour Program for all 4 year olds. We offer the VPK program through the summer as well

## Creative Learning

A creative learning curriculum is key to the success of Sunflower's outstanding program. Small classes, taught by dedicated, caring and well-trained staff, provide your child with personalized attention. Delicious, home-made lunches and snacks are served in a family-style setting to encourage good nutritional habits and enhance social skills.
